

Greater Pittston Stoners Youth Soccer Association Fall 2015 – Building Blocks of Fair Play (U-8 to U-12)

Preamble

The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and six core principles: Trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character".

I, therefore, agree:

- I will remember that soccer is about learning and having fun
- I will remember that winning isn't everything
- I will have fun, play fair and make new friends
- I will show respect and listen to my coaches and referees while on the field of play
- I will do the best I can each day, both at practices and in games
- I will make every effort to attend all games and practices
- If I have a problem with something, I will talk to my coach about it
