

Greetings,

The Greater Pittston Stoners Youth Soccer Association ("GPSYSA") provides recreational soccer to children ages 5 to 18. Our mission is to foster and perpetuate the game of soccer with fair play and sportsmanship. Your support to our organization will enable us to install a much needed water system at Lions Memorial Field as well as maintain all our fields and keep fees affordable to all families. Our organization serves over 700 local children.

One of the things GPSYSA is doing to raise these funds is to host our first ever golf tournament on Friday May 26, 2017 at Pine Hills Country Club. Dinner will follow at Pine Hills.

I am asking for your support by contributing a sponsorship, prizes, gift certificates or gift baskets for this event.

This is a great way to have potential new customers try your product or service while supporting the Greater Pittston area. No donation is too small and all are very much appreciated. Your business will be prominently featured and mentioned during our event.

If you know players who would enjoy golfing in the tournament, a foursome registration form accompanies this packet.

Donations and registration forms may be sent to:

Greater Pittston Stoners Youth Soccer Association

PO Box 285

Pittston, PA 18640

We will gladly pick up any items that cannot be mailed. If available, please send your company logo to fundraising@stonersoccer.org.

Thank you for your time and for considering this request. We look forward to working with you and creating a stronger community one child at a time.

Sincerely,

Susan Connors

Golf Tournament Coordinator
